1. Do not dispose of any part of a shipment until you have received ALL packages held for Customs examination. If you are unable to redeliver to Customs on demand, severe penalties may result.
2. This invoice covers cash advances and services including in each item of disbursement (except duty and freight) our profit or compensation for our services.
3. Importer must furnish missing documents within the period of time as required by Customs regulations to avoid Customs penalties.
4. When duty payment not timely deposited with broker, entry document must still be submitted and Customs will assess late entry penalty and stop future clearances.
5. If you are the importer of record, payment to the broker will not relieve you of liability for Customs charges in the event the charges are not paid by the broker. Therefore, if you pay by check, Customs charges may be paid with a separate check payable to the "U.S. Customs Service."
